Text Scam Targeting Parishioners - The Archdiocese of Toronto has been contacted by a number of parishes in the last several days regarding a scam whereby parishioners receive a text message reportedly from their pastor asking the parishioner to purchase iTunes/Sephora gift cards to help sick parishioners in the hospital or children. If you are a target, we recommend that you do not respond, but contact the police to ensure they are aware of the situation.

Coronavirus (COVID-19) Preventative Measures in Place - The Archdiocese of Toronto continues to work with health officials to monitor the local situation regarding active cases of the coronavirus (COVID-19). At this time, Cardinal Collins has asked all parishes to implement the following measures:

At the Sign of Peace, refrain from shaking hands – a simple bow, nod or “Peace be with you” to your neighbour is appropriate. | For parishes offering communion under both species, forgo the distribution of the Precious Blood from the chalice for the congregation at this time. | Parishes should ensure that those distributing communion wash their hands or use hand sanitizer before and after the distribution of communion.

Please also continue to practice healthy hygiene – wash your hands with soap or use hand sanitizer regularly, remain home if you are sick, sneeze/cough into your sleeve and avoid touching your eyes, nose or mouth. Let us continue to pray for all those impacted worldwide by COVID-19.
